

ALTAR SERVER NOTES – JULY 2010

- PLEASE PLEASE- Do not volunteer when you see the name of an adult server. In this schedule, the adults are Tregaskis and Taylor. On your sacristy copy of the schedule I will mark these names in red: “DO NOT VOLUNTEER”.
- Most of you are probably out waving the flag on July 3 & 4. It was impossible to fill! 5:30 pm has no servers! If anyone is in town, please fill in there...
- All of July & August show many of you off for vacation. Six servers dropped out. I was forced to give some of you your second choice mass time. Some of you are assigned three weeks in a row, which you know I do not like to do. It is tough when so many are away. Thanks to those who will be handling extra times.
- PARENTS: When you pick up your server after mass, will you please check that garments are being hung properly.
- In the whole schedule there are many empty (X) spots. You are all good at filling in. Write your name on top of any (X) where you wish to serve.
- Cross your name off schedule in sacristy. Please, if you cannot be present, get a substitute.

Any questions? Call me any evening 545-6291

Shalom!
