

## **LITURGY OF THE WORD FOR CHILDREN**

Liturgy of the Word for Children is offered on Sunday mornings during the 9:00 a.m. Family Mass and is for all children, kindergarten through sixth grades.

This affords children the opportunity to hear and learn about the Sunday scripture readings in language appropriate to their level of understanding. Children come to Mass with their parents and are then dismissed after the Opening Prayer. They proceed to another location where they listen to and reflect on the various scripture readings for each Sunday. They participate in and contribute to the Prayers of the Faithful, normally receive a “take-home” activity and then return to their parents in the cathedral after the celebrant’s homily.

Liturgy of the Word for Children takes place almost every Sunday from the opening of all the Religious Education Programs in September through the last Sunday in June.

No registration is needed to participate in Liturgy of the Word for Children. Just come to the 9:00 a.m. Mass on Sundays.
