

Notes for Eucharistic Ministers March 2010

7:30 AM Mass ministers will note that there is one (X) and sometimes two (X) (X) which indicate that a volunteer(s) is/are needed. One of the 7:30 ministers is on sick leave for the entire schedule. Her name is in the bulletin under the "Prayers Needed" section. Please pray for her quick recovery.

When you give a blessing to a person not receiving Holy Communion, please do not touch the head. Hold your hand above the head.

Thank you for all your good help with the "No Show" spots. I would appreciate your crossing your name off the sacristy schedule before Mass. The priest is always happy to know if he has a full crew.

Enjoy, enjoy this lovely ministry.

Shalom!
